

ES-ROCK-DVC-8-GRA

ES-ROCK-DVC-8-SAN

Blends in Beautifully

Built from an unsaturated polyester resin, fiberglass and talc powder compound, this rock speaker has a realistic-looking shape that blends expertly into the outdoors. Whether using just one or spacing several across a large area, you get top-quality sound that doesn't take away from an area's natural beauty.

Built for Sound

Enjoy full stereo sound from a single speaker, thanks to the flexibility and premium components of this Dual Voice Coil (DVC) Rock Speaker. Optimized for outstanding performance, it's perfect for easy listening on a weeknight or a party on the weekend.

Engineered for Versatility

Whether placed near a deck, out in the yard, or around a porch, this speaker is versatile enough to perform just about anywhere. Plus, its rugged build and weatherproof materials ensure that it will continue to impress for years to come.

Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
