

# ENTE SERIES

## ENTE SOUNDTILE

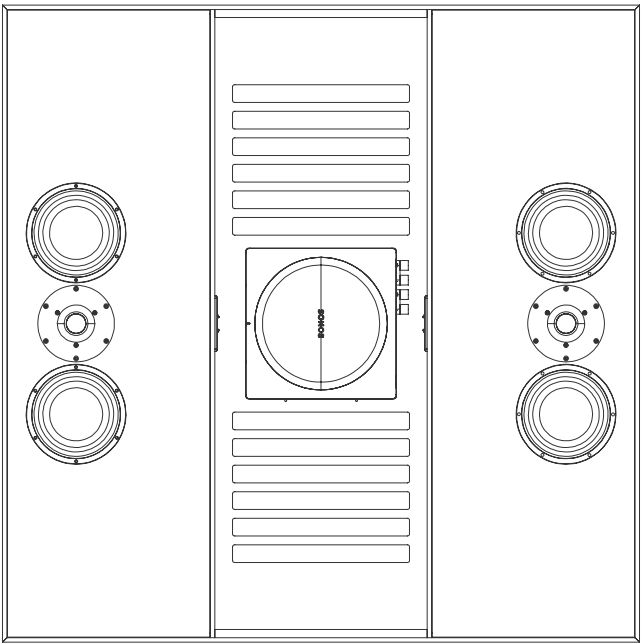

### Description

Bringing style to any Sonos® system, the Ente SoundTile combines two channels of high-performance audio by Leon and custom screenprinted artwork—all powered by SONOS AMP®.

### Key Features

- Includes high-performance speakers by Leon and SONOS AMP
- Choose from hundreds of fine artwork options, or use artwork from your personal collection
- Choose from handcrafted Matte Black or Matte White frame with exposed Baltic Birch edge
- Mounts flush to the wall using an integrated French Cleat mount
- Handcrafted in the USA
